**Gusset:**

Transfer stitches from stitch holder unto 1 or 2 needles evenly

Pick up sts along gusset, depending on the length of your heel cap, 16-20 sts.

Knit the top of the sock in pattern, pick up sts on the other side, same amount of sts and **knit 1 row knitting in the back loop of the sts you picked up (FIRST ROW ONLY)**

The beginning of your row starts in the middle of heel – decrease at each side of the heel, knit until 3 sts left, k2tog, k1.

Knit the top of sock in pattern then on next needle, k1, ssk. Knit to end of row.

Continue to dec at each side of heel every other row until you have same amount of sts as you started with.

Knit until the sock covers your little toe, start dec for toe. Start knitting in stockinette stitch.

**Decrease for toe:**

Dec 1 st at each side (same as gusset) total 4 sts per row, every other row twice: starting in the middle of heel, knit until 3 sts left, k2tog, k1. At beginning of pattern row ssk and continue across in pattern until 3 sts left, k2tog, k1. Then on next needle, k1, ssk and knit to end of row.

Then every row decrease 4 sts as above, until 20 sts remain. Place 10 sts each on 2 needles and graft sts together using the kitchener stitch. Fasten loose ends
